

2023 REACH declaration (Regulation (EC) No. 1907/2006)

Dear valued customer,

Hereby we confirm that the following end product:

Zinc alloys die casting / ZnAlCuMg (SDS 49012)

which is marketed, offered and distributed by Nyrstar Sales & Marketing AG, does not contain any of the substances mentioned in the Candidate list of Substances of very high concern (SVHC) for Authorisation published by ECHA, at a concentration above 0.1 % w/w. We also confirm that the mentioned Nyrstar's end product contains neither any of the substances mentioned in the Authorisation list (Annex XIV), nor substances restricted under REACH (Annex XVII), at a concentration above 0.1 % w/w.

The mentioned end product contains magnesium which is included in the Restriction list (Annex XVII), but the identified uses of the alloy are not covered by the restrictions included in Annex XVII.

The most recent version of the Candidate list can be found on <https://echa.europa.eu/candidate-list-table>

The most recent version of the Authorization list can be found on <https://echa.europa.eu/authorisation-list>.

The most recent version of the Restriction list can be found on <https://echa.europa.eu/substances-restricted-under-reach>.
